VOL. 102, NO. 24 CAMERON, MILAM COUNTY TEXAS, THURSDAY, SEPTEMBER 7, 1961 10 PAGES TODAY

Milam Unit Gets Alert

Texas 49th Armored Division, parent unit of Milam's Company C, Third Medium Tank Battalion, has been alerted by the Pentagon.

It meant that Company C, commanded by Capt. J. T. Terry, was on alert from Wednesday on, and probably called for stepped - up training for the Milam unit and all other segments of the 49th Division.

Informed sources said about noon Wednesday that four National Guard units have been alerted by Washington National Guard officials. The 49th was one of the four.

ADDITIONAL TRAINING

Capt. Eugene Mees, of Battalion headquarters, 112th Armor, Temple said that the alert would probably mean an intensified training program for all units of the Division, including extra drills and authorization to add more persons to the units.

Company C has 68 men at present and a full - strength capacity for 102, National Guard officials said.

In Dallas, the National Guard Bureau said information on the 49th's alert is not yet official.

Major - General D. W. Gowan, Dallas Bureau chief, said it "probably does not mean active duty now or later."

Capt. James T. Terry was not available for comment. At press-time, he could not be reached for telephone interview.

He told The Herald in July when President Kennedy made his "get tough" speech that the Milam Guard unit was ready to serve with its training program rated highly in July's summer camp.

JULY RUMORS

The Milam Unit went to Fort Hood for an annual two - weeks encampment amid rumors that it might be part of the activated 49th Armored. A regular training division unit at Fort Hood was alerted for combat training in July.

Members of the unit represent segments of the entire county. Officers and men come from most of the communities of Milam County and nearby areas for training each Tuesday night.

Lt. Col. Olin Brewster, Third Tank Battalion CO, Tuesday night told the Milam unit it must maintain good training standards in the event of emergency.

Perhaps that emergency is near. Guard divisions alerted in four states -- Massachusetts, Pennsylvania, Wisconsin and Texas -- think so.

This Is 102

By FML

Cameron's showing against a well - coached West squad last Friday night is a preview of a good football season.

Some of those bone - crushing tackles were the hardest knocks we've ever seen a high school team administer to another high school team. Ernest Bayer in particular demonstrated his powerful defensive form.

But the Yoe-s tough first - half defense showed its effects during the second half. West backs were not as quick to crack out as Yoemen tacklers barrelled in on almost every play to double them over.

102 - 102 - 102

The alert Wednesday for Milam's Guard Unit, a part of 49th Armored Division, brings the world situation closer to home.

That shiny new armory out on Columbus Avenue sometimes means more to us as a community center or demonstration area. But it means now, more than ever, that some 60 Milam youngsters and their officers are working at a very serious business of making those big tanks move and shoot.

It is not likely that the unit will be called. Some units are alerted for a long time, but never mustered into service.

102 - 102 - 102

Back on football ..... we noticed that all area football teams, save Rockdale, enjoyed a winning night.

Buckholts, Thorndale, Cameron, and Rogers fielded victorious teams Rockdale's team has suffered two key early season injuries and face a rebuilding program with young, inexperienced players.

102 - 102 - 102

Seems as if summer was late acomin' on, but it is making up for a slow, cool advance. We notice more people concerned with the heat and sunshine (good for cotton and maize) than in July and August.

All in all, it appears to be working in favor of the crops.

102 - 102 - 102

HEALTHY BITE —— A doctor removed a ring from a man's stomach. Upon recovery, he was cautioned about biting his nails.

Starlite Club On Top For Sunshine League Bowlers

Starlite Club was rated tops as the Sunshine leaguers got off for the new season at the Cameron Bowling Lanes.

Citizens National Bank rolled a high series of 2057 with Leader Dept Store's 2045 and Falstaff's 1883 following. Citizens Bank also held the high single game of 748 with Leader Dept. Store, 701 and Falstaff, 673 trailing.

Irene Mees was tops in the high series individual column with 448. Flo Fikes, 441, and Gladys Titsworth, 439, followed close behind. Flo Fikes also had the high game individual score of 187. She was followed by Judy Mullondore, 175 and Emalou Curtis, 174.

Averages are: Irene Mees, 149; Gladys Titsworth, 146 and Emalou Curtis, 145.

Standings are:

Starlite Club	3	1
Citizens National Bank	2	2
Leader Deptartment Store	2	2
Falstaff	2	2
Hefley Stedman	2	2
Coca Cola	2	2
Western Auto	2	2
New Cameron Drug	1	3

PTA Open House To Be Held Thurs.

The Parents - Teachers Association will hold its annual open house Thursday at 7:30 p. m. on the tennis courts.

The program includes the introduction of executive members of the PTA school board and faculty for the year 1961 - 62. Also a skit titled "The Case of the Missing Subscriber" has been prepared by Mrs. Billy Bates and students of Ada Henderson Junior High School.

A child care service for each meeting is being planned by the the Future Nurses Club. Please bring a toy or crayons and color book for your child. If you have a baby, please bring a car bed or seat for it to stay in. This service will be held in the Homemaking Department during open house and will be in Ben Milam classrooms each remaining meeting of the year

NEW FLAG AND POLE -- William Love, left, raises the American Flag which he and Mrs. Love donated to the St. Anthony's School. He is assisted by Danny Matula, whose father, Felix Matula, Jr. built and donated the pole. The children gave the pledge of allegiance to the Flag while the flag was raised. Love and Matula also installed a fire alarm system in the School several years ago. Love is a member of the Episcopal Church.

Moore Describes Milam Dairying

Colored slides highlighted a discussion of dairying, Milam's fastest growing agriculture industry, Wednesday before Cameron Rotarians.

County Agent J. D. Moore and C. D. Elmore, Heart O' Texas diary supervisor, described IBM tabulation of costs and showed slides of a new dairy operation established by Billie Ellis, Rt. 1, Cameron.

Moore described the dairy industry as it is developing in the three county area of Bell - Milam - Burleson Counties. Elmore has set up testing headquarters in Cameron

SIX MILAM-DAIRIES

There are six dairy operations in Milam County, five in Bell and five in Burleson County, Moore noted. They are operating with 770 cows on test and expecting 500 more cows to be milked in the next year.

Colored slides showed the milk banr, milk processing room, above-ground silo and Holstein cows on the Ellis farm.

And Moore passed out sample records of test sheets kept on each cow in production. The sheets showed a complete cost analysis on the cow and whether it was producing milk at a profit.

"One of the problems of our job is not getting information like this," Moore said, "but getting folks to use it," Moore said.

Elmore described his duties in going to the dairies, taking milk samples and returning to his Cameron laboratory to take butter fat tests.

Milk goes from the cow through the milking machine, on into lines and to a refrigerated tank, Moore said. A refrigerated truck stops by the dairy barn at regular intervals and transfers the milk to truck tanks for transportation to processing centers.

He said that cows can average 50 pounds of milk a day while in the production cycle. And he estimated that good dairy cows cost about $500 to $600 apiece.

Data on each cow is kept on the IBM records which are processed in a data center and returned to the dairyman for study, Moore noted.

"It's not a case of just carrying the bucket up to the cow anymore," Moore said.

WALLPAPER BURNS

Slight damage resulted Friday when the wallpaper in the Arthur Smith home, 807 North Jefferson, caught fire, according to Cameron fire officials. Cause was flames from an oil stove.

'Of Lasting Interest' ——

Harbour Proves Sign Right

By Robert Mann
Herald Staff Writer

ROGERS — Good churches, good schools and good people -- So reads the sign posted near the Rogers city limits.

This small - town of over 1,000 inhabitants is proud of that reputation and strives to uphold it.

Last week we had the pleasure of meeting one of these good people. He is a member of one of the good churches, administrator of the good schools and an excellent representative of the good people.

B. F. Harbour, superintendent of the Rogers Public School System, has served this community with efficiency and good school leadership for the past six years that is seldom matched in small Texas schools.

Beginning his seventh year as superintendent is as much a challenge to Harbour as was his first. Despite the problems involved, he faces each day and new year with a youthful vigor and considerate attitude that makes school pleasant for students and teachers alike. "As fine as they come," Harbour is a former Dean of Victoria Jr. College; Superintendent of Schools at Garnado for six years and high school principal in several schools previously.

Mrs. Harbour is a graduate of North Texas State College and an elementary teacher in Rogers. They are the proud parents of four sons.

Bruce, the oldest, is a 1960 graduate of Baylor University and presently a member of the U. S. Air Force, stationed in North Carolina. Larry is a Baylor student and on the Baylor football and track teams Perry is a freshman pole vaulter at Baylor and Brien is a Rogers senior and star of the Eagle backfield.

In discussing the problems of a school system, Harbour said, "I suspect the biggest problem in a small town where there is no industry or vast payroll is finances. I'ts awful difficult to get money together to keep a school in the condition it should be.

Difficult or not, B. F Harbour is the man that can get the job done if anyone can and the people of Rogers think he is doing the job.

Slag Use Studied

Citians To Host Riders

Heart - O - Texas Trail Riders will saddle up and hit the trail again September 30 beginning with registration and entertainment in Cameron.

A parade through Cameron at 5:30 Sept. 30 will be followed by a dinner at the camp grounds, furnished by Cameron businesses and a dance at National Guard Armory.

The riders will leave Cameron October 1 for the ride to Waco and the formal opening of the 1961 Heart-O-Texas Fair and Rodeo October 3.

Trail ride officials are Jess Radle trail boss; Vaughn Jenness, ass't. trail boss; Dr. Lyle McDermott, official Veterinary; Pam Green, trail ride sweetheart; Tami Gay Radle, junior sweetheart; Glenn Wingo, official wagon boss; Homer Casey, Waco publicity; Kirk Darft, official scout; Robert Radle chief of scouts; M. C. Duncum, 2nd chief of scouts; Edwin Brod, horse wrangler; Carroll M. Green, flunkie; Buddy Shipp, Aubrey Hightower, C. O. Angell, flag bearers.

FINAL PAYMENTS TO BEGIN FRIDAY IN GRAIN PLAN

Final payment will start Friday for Milam farmers participating in the 1961 feed grain program, according to Cameron ASC officials.

Payments expected to exceed the $331,462 paid in advance will start with co - operators from Community A, centering on Burlington-Ben Arnold area.

Officials noted that regular farm alphabet letter designating the ASC community. The final sign up will be precessed by community.

Here is the schedule of payment Community A (Burlington and area), September 8; Community B (Maysfield area), September 11; Community C (Milano area), September 12; Community D (Rockdale area), September 12; Community E (Thorndale area), September 13; Community F (Sharp area), September 18; Community G (Buckholts area), September 19; and Community H (Cameron area), September 20.

Payments will be made for maize and corn acreage. About 23,000 acres of maize were diverted and 11,000 acres of corn were set aside from 1961 production in Milam County.

Total payments will apparently exceed $750,000.

Services Wednesday For Rebecca Brown

Funeral services were held 10:30 a. m. Wednesday for Rebecca Brown, 92.

The Rev. Eugene Strickland conducted the services from the home of Mrs. W. G. Gillis, 408 W. 6th St. She made her home with Mrs. Gillis for 48 years.

Burial was in Oak Hill Cemetery. She was a member of the Presbyterian Church.

Pallbearers were Ed Nellum, Louis Johnson, Columbus Johnson, John Mills and Buster Woods.

Arrangements were with Marek-Burns Funeral Home.

ONLY HALF OF 'EM -- This six - foot stack of Heralds went out last week to new readers, a part of special circulation to boost Herald adveritisers and readership. Boys and girls may pick up special subscription blanks this weekend and start selling new subscriptions for bicycles, wrist watches or cash bonuses. Selling time starts Monday, September 11, and continues for six weeks. Youngsters selling 25 new subscriptions will win a $40 bicycle, those selling 12 or more new subscriptions will win a $17 wrist watch and sellers of less than a dozen subcriptions will receive a dollar for each new one. -- Staffoto

Hey, Boys And Girls

'Operation Bonus' To Begin Monday

"Operation Bonus" can help Milam boys and girls win bicycles, wrist watches or cash in a six-week circulation drive starting September 11.

The Cameron Herald is sponsoring the 1961 circulation contest. Youngsters of school age in the Cameron and Milam trade area are eligible.

Receipt books and complete instructions may be picked up at The Herald ofice in Cameron, starting this weekend. The contest starts Monday.

BIKES, WATCHES, CASH

Prizes will be awarded as follows:

25 new subscriptions in Milam and trade area: a new 26-inch bicycle, either boys or girls.

12 new subscriptions in Milam and trade area: a new Westclox wristwatch, either boys or girls.

Less than 12 new subscriptions: $1 commission for every new subscription sold.

Participating youngsters are asked to turn in their subscriptions, money and records at The Herald each Saturday morning during the contest. Prizes will be awarded at the end of the six weeks contest.

Special individual bonuses will be awarded for top salesmen in various Milam communities and and Cameron. Renewals will not be considered in awarding prizes and only 25 cents commission will be paid on any subscription renewals turned in.

This is the first major Herald subscription drive in four years. Group organizations may want to work together in the drive, but the contest is primarily an individual plan. Top salesmen win bicycles, waches and cash.

REAL OPPORTUNITY

If your youngster wants or needs a bicycle or a wristwatch, invite him or her to learn more about the program.

The Herald urges young salesmen to start early, before a large number of youngsters work in every neighborhood and community. unity.

The contest begins officially Monday, September 11. Contest subscription books and instructions will be available in The Herald office this weekend.

LIGNITE FIRM DESCRIBES COST FOR PAVEMENT

Representatives of Young Brothers, of Waco, Tuesday met with City Councilmen and discussed cost of providing slag material for use in city street paving.

The Waco concern has been operating a processing plant near the Rockdale Alcoa plant, using lignite slag mixed with other paving materials for highway and street paving.

Officials reported that the slag material could be furnished at 14 cents a square yard for Cameron paving use.

Councilmen also approved the second and final reading of an ordinance setting the 1961 - 62 rate at a $1.60 per $100, the same rate since 1949. And a public hearing for the proposed city budget was set for the next regular Council meeting 5 p. m. Tuesday, September 19.

City officials also approved calling for bids on a 1962 police car, which are to be opened at the same meeting September 19.

Councilmen also discussed the problems of heavy trash pickup service. They noted that some citizens are putting out enough shrubbery to require four or five trips to carry it off. The problem was tabled for further study.

The slag material used for paving purposes is not new to Milam County.

Alcoa and Texas Power & Light have sponsored research on the material at Texas A & M and test strips of the material, used in combination with limestone and asphalt, have been put down in Bryan, Waco and other Cen - Tex cities.

About a year ago, the Waco construction firm opened a small processing plant near Alcoa's plant to begin processing of the material.

During the past two years, specialists from Texas A & M have appeared before Cameron civic clubs, explaining the possibilities of the material in street paving.

A test strip of the material is being laid near the Alcoa plant on a farm - to - market road.

Officials point out that the slag material, after the refining process, is only a part of the final mixture used in paving. When mixed with limestone and asphalt in proper proportions, the material hardens to a dark black, super grippin gsurface, Young Brothers spokesmen said.

GRASS FIRE

Cameron Volunteer Firemen extinguished a grass fire during the past seven days, the only fire reported. Two fence posts burned in the grass fire on SH 36 across from National Hall.

County Approves $554,000 Budget

The County Commissioners Court last Thursday approved an estimated $554,000 budget, about $5,000 less than the previous year.

Major items were substantially the same throughout.

The tax rate is 95 cents per $100 valuation. The servicable valuation in Milam County is estimated at $31 millions.

Biggest budget item is the general fund receipts of $149,470 with disbursements expected to be $87-115. Disbursements in1960 - 61 exceeded income by $1,600 but a bank note of $30,260 including interest was paid off during the year, County Judge Don G. Humble said.

The four commissioner precinct budgets are:

PRECINCT 1 -- Buckholts $45,286
PRECINCT 2 -- Cameron $75,810
PRECINCT 3-Rockdale, $73,310
PRECINCT 4 Thorndale, $53,294

A yearly transfer of funds from the general fund supplements an officers salary fund of $70,500 estimated in the new budget. About $30,000 is transferred yearly to meet salary requirements, a normal procedure in many counties, Judge Humble said.

In securities and assets, Milam County is in good shape. Par value of securities held in road, city and school districts totals $80,900 as of December 31, 1960, the budget shows. Only indebtedness at that date is $10,925 in time warrants for Road and Bridge Fund No. 4.

ROTARY -- Governor Dr. I. A. Shepherd, of Taylor, will be hosted by Cameron Rotary Club officials September 12-13 on his annual official visit. He will tell Cameron Rotarians of the 123 countries in which International Rotary functions.

San Antonio Couple Injured In Crash

A San Antonio couple suffered injuries Monday when their car went out of control, missed Brushy Creek Bridge and dove into the creek.

State Patrolman Gilbert Smith said that Mr. and Mrs. Conrad C. Keahey and her father, Floyd Davis, all of San Antonio, were in the one - vehicle crash. Mrs. Keahey was driving.

Both Mr. and Mrs. Keahey suffered injuries while Davis did not.

Patrolman Jack Straley reported that Frank John Kostiha, Rt. 2, Buckholts, escaped injury when his car overturned Saturday about one mile south of Pettibone on FM 486.

Buckholts

Miss Fischer, Mrs. Lange Return Home After Vacationing In Florida

Miss LaVelle Fischer accompanied by her aunt, Mrs. A. W. Lange returned recently from a trip to Florida where they visited points including Crestview where they were guests of A3C and Mrs. Wayne Thrash and Fort Walton and Pensacola.

Holiday guests of Mr. and Mrs. Edwin Fischer included Mr. and Mrs. Joe Dean Zajicek and son, David of Thorndale; Mrs. Hulda Pagel of Yarrellton; The Rev. and Mrs. J. A. Peitsch and her mother Mrs. H. F. Krentz of Dallas, Mrs. Zajicek and Stanley Glaser.

Mr. and Mrs. C. S. Raney's weekend guests were their sons and their families Mr. and Mrs. Jimmy Raney and children, Pamela, Diane and Butch and Mr. and Mrs. Lyn Dell Raney and children Bridgett, Kellie and Leslie all of Houston.

Mr. and Mrs. Tal Woodward have had as guests their daughter's family, Mr. and Mrs. H. B. Copeland and daughter, Elaine of McNary; their son's family, Mr. and Mrs. Udell Woodward and son, Dale of Houston and Mr. and Mrs. G. W. Copeland of Rogers.

Mr. and Mrs. J. R. Slovacek have returned from San Antonio where they visited their son and family Mr. and Mrs. Marvin Slovacek and children Diane, Marvin Jo and Lori who returned recently from an extended visit at Brigham Utah where they were guests of Mrs. Slovacek's parents, Mr. and Mrs. M. J. Compton.

Bernard Kostroun placed Third in Junior Swine Contest.

Other 4-H club members entering record books were: Arvell Jungmann, Larry Jungmann, Jan Parmelee, Sharon Lucko, Roy Dean Tomasek, Ronnie Kostroun, Gerald Campbell and Arthur Jistel.

Two New Teachers Hired In Rogers System For '61 - '62

Rogers school superintendent B. F. Harbour, has announced the hiring of two new teachers in the school system.

Mrs. Mona Elmore, Cameron, is replacing Miss McKimm Massey as Jr. High School math instructor. Mrs. Elmore is a graduate of South West Texas State College at San Marcos.

Mrs. Massey's retirement came after 41 years of teaching in or near Milam County schools. She has taught at Rogers the past 17 years.

Mrs. Marilyn Thomas has been employed as a one - half day homemaking teacher. She is a graduate of Mary - Hardin Baylor College and taught the past two years in Temple.

Harbour told the Herald that 195 students have enrolled for high school classes and 285 for elementary school. He expects a total of about 515 students later in the year.

High school principal is J. L. Chervenka, a University of Texas graduate. He has served as principal for 15 years.

Darwin Schwertner is starting his second year as leementary school principal. He is an A & M graduate and was principal for a Salado school a year prior to coming to Rogers.

New Store Nears Completion For Rogers Residents

Bob Persky, proprietor of a Rogers furniture and hardware store, has announced near completion on a new frame structure in downtown Rogers.

Persky plans to move to the new building by October 1.

Jerry Marchak and Persky are doing most of the interior and exterior work on the building. Doyle Raye and assistants are doing all paint work and a Templt glass company has installed the glass windows.

The new structure is part of the old Thomas - Ratliff building with a 75 ' by 52. added wing. The single floor building has a brick front and large display windows.

Persky is president of the Rogers Community Service Club.

It's almost like magic the way a Want Ad in this paper produces results fast, whenever you want to sell, buy, rent or hire. Cost is tiny

JUST A HEARING AID SALESMAN?
OR AN OTOMETRIC SPECIALIST?

A hearing - aid salesman tries to fit his customers with a hearing - aid from his stock . . . all of which he has bought and must sell! He usually has only one, two or three frequency responses from which to choose. The client may hear . . . but not understand. His instrument may make him uncomfortable . . . ill - at - ease.

Joe Treadway

The Otometric Specialist, like the optometrist or oculist, prescribes an instrument that fills the patient's needs exactly! The patient hears distinctly, clearly and comfortably. The exact fit of his instrument justifies his trust in the specialist professional ability. **It costs no more for the very best . . . Be sure you get it.** (In nine out of ten cases we have fit, it costs less than a hearing aid.)

A hearing aid salesman after fitting his customers, in most cases leaves the customer to do the best he can with his hearing aid. We have seen case after case where the customer has had to lay aside his hearing aid because the salesman never came back to make adjustments.

The Otometric Specialist takes you as a case. Not only does he prescribe the instrument to fit your needs, you become a patient and he will see you at regular monthly clinics. Your comfort and your hearing are his responsibility. He will reexamine you from time to time to make sure your instrument is still giving you the proper hearing you need. (Your hearing will change from year to year in most cases. That is why some people can hear good when they first get a hearing aid but, after a time, they cannot hear with it.)

A hearing aid salesman can only give you a 1 year guarantee on a hearing aid, and it always seems to break down just after the guarantee is out.

The Otometric Specialist with the new instruments can now give you a 5 **YEAR** guarantee.

We know that lots of people are unable to come to our offices in Waco, that is why we hold clinics in or near your town. You will find listed below where our next clinic will be held. We invite you to come in and have a complete examination (there is no cost for test) if you feel you are having hearing trouble. If you now wear a hearing aid but are not getting the service you should have, feel free to come in, we may be able to help you.

Starting this month, we have a new service that we feel will help those that have been unable to come to our clinics. At each clinic we will have a service car that will pick you up and bring you to the clinic and return you home (at no charge.) We have found many people that would like to come see us but have no transportation. Also, for sick people, or people made nervous by coming to the cilnic, or those in rest homes or hospitals, we have portable equipment that we can take anywhere and run a complete hearing examination. All you have to do is write us at Box 1223 in Waco, or call us at the clinic (listed below) and we will make arrangements for you. If you have a friend or kin that lives in some other city whom you would like for us to see, please write us as we have Otometric Specialists all over the U. S. A. If you would like to come to our offices in Waco, write us and we will arrange an appointment for you.

After you have read this will you send it along to a friend that is hard of hearing, or send us their name and we will mail them a copy.

Mr. Treadway, who is an Audiotician (Otometric Specialist), will hold a Hearing Clinic at: The Cameron Hotel, in Cameron, Tuesday, September 12th from 10 a. m. to 1 p. m. Nance Hearing Instrument Co. (Formerly Hearing Aid Center,) 805 Austin, Waco, Texas. MEMBER BETTER BUSINESS BUREAU. Adv.

200 Attend Cryer Reunion Sunday

The annual Cryer family reunion was held Sunday with approximately 200 people attending from Texas, Oklahoma and Louisiana.

Four boys and three girls of the pioneer J. R. Cryer family were present: L. T. Cryer of San Angelo, R. L. Cryer of Bellaire, W. W. Cryer of Seattle, J. A. Cryer of Cameron, W. R. Cryer of Brookshire, Mrs. Rose Willingham of Rustin, Okla. and Mrs. Lucinda Looney also of Rustin, Okla.

Those attending from Cameron were Mr. and Mrs. J. A. Cryer, Mrs. Harold Miller, Janet and Randy, Mrs. Randall Cryer, Cliff, Lindy and Glen Ray.

Total 1961 population was estimated 97.3 per cent urban and 2.7 rural.

George Childress Real Estate

FOR SALE OR TRADE CITY

3 bedroom dwelling in North Cameron on 2 acres of land. Separate garage and utility room. 2 big chicken houses. One modern house. If you belong to the Methodist Church you will love this one. Priced right. Terms.

FOR THE LAKE BEAUTY

You will love this elegant fenced yard that has rolling shade trees. Shaded concrete patio. Has BIG bedrooms, living room, separate dining room, family room, outside utility room (washer). So many extras we could go on and on. Kids can walk to school without pups and no bus worrying about heavy traffic. Appointment only.

FOR THE LAKE PROJECT

This 3 bedroom home on a large corner lot is ideally suited for family enjoyment. This home is arranged so that ALL members of the family can enjoy privacy. Your cookouts will be just a family affair. Big fenced yard. Nicely landscaping. By appointment only.

SPECIAL STOCKMAN

3 bedroom air-conditioned home, big barns, large cattle pens, concrete granary, hillside irrigation pump with aluminum pipe and sprinkler heads, permit lease, many other extras. On Little River close to Cameron. Appointment only.

MR. & MRS. W. C. CROUCH

Miss Bowley Wed To W.C.Crouch Recently

In a formal wedding ceremony August 19 Miss Gloria Ruth Bowley became the bride of W. C. Crouch, both of Cameron. The parents of the couple are Rev. and Mrs. H. M. Bowley and Mr. and Mrs. Wesley Crouch all of Cameron.

The Rev. Bowley, father of the bride, performed the ceremony at the Cameron Gospel Tabernacle. Pink roses with fern formed the decorations. Mrs. Francis Cox was organist and Mrs. Wanda Bowley sang "A Wedding Prayer" and "I Love You Truly."

Given in marriage by her brother, Robert Bowley, the bride wore a floor length white satin and lace gown with short length sleeves. Her veil was of white tulle attached to a white floral headpiece. She carried a white carnation bridal bouquet.

Miss Charlotte Johnson of Cameron was maid of honor. Mrs. Dennis Bowley of Cameron was bridesmaid. They were dressed in blue chiffon over taffeta and carried white carnations.

Miss Glenda LaBell Bowley was flowergirl. She was dressed in pink nylon over pink satin.

Groomsmen were Dennis Bowley and Alton Crouch both of Cameron. Ushers were Chester Hayes and Phillip Bowley.

The brides mother was dressed in blue floral crepe with Navy blue jacket and white accessories. She wore a white carnation corsage. Mrs. Crouch was dressed in black crepe with white accessories and also wore a white carnation corsage.

Following the ceremony a reception was held at the home of the bride's parents. Pink and white roses were used throughout the home where Miss Gloria Lane of Cameron registered the guests.

The brides table was covered with a lace table cloth over blue. The four - tiered wedding cake was decorated with pink roses, and pink and white roses were used as the centerpiece.

Mrs. C. T. Amey, Mrs. Gradee Morgan, Mrs. Vito Kuzia and Mrs. W. C. Kominek, formed the houseparty.

For a wedding trip to Galveston and Beaumont, the bride wore a lavender dress with lavender accessories.

Both are graduates of Yoe High School and will make their home at 202 E. 28th St.

Michigan Guests Visit In Home Of Mrs. Matyastik

By Mrs. J. A. Hudson

Mrs. Edwina Sellar and her son Richard Patterson of Detroit, Michigan were guests of Mrs. John Matyastik Friday. Patterson is a long time friend of the Matyastiks, visiting at his home during World War II, when he was stationed at Ft. Hood.

Mrs. John Weatherly and Pat Wells have been visiting Miss Jewell Weatherly in Austin and other relatives in San Antonio.

Guests last Sunday of Mr. and Mrs. T. W. Hank, Marilyn and Larry were Mrs. Joe Hank of Cameron, Mr. and Mrs. Johnny Joe Hank, Billy Joe and Jill of New Braunfels, and Mr. and Mrs. Billy Hank, Vicky, Jerry, Phillip and Jimmy of Bryan.

Mr. and Mrs. Nelson Kubena of Dallas visited his parents Mr. and Mrs. Alfred Kubena over the holiday weekend.

Mrs. Bill Harrison joined her son and family Mr. and Mrs. Jimmy Harrison for a visit with her daughters and their families Mr. and Mrs. Frank Means of Dallas, and Mr. and Mrs. Darrell Hallmark of Garland for past week-end. The Hallmark children who have been visiting relatives here at Rosebud and Cedar Springs while their father was recovering from a recent operation returned home with them.

Mrs. T. D. Dodd visited in Ft. Worth over the holiday weekend with her daughters and families the Jack Briggs, C. E. Richardsons, Joe Pfluidelfias, Tony Proton, George Griffens and Miss Inez Dodd. And while there went on a trip to Ark. with the Griffins and Inez.

Mrs. John Matyastik and Mrs. Daniel Mitchell of Cameron visited Miss Rosalie Matyastik in Temple Wednesday.

Mr. and Mrs. Billy Stowsell of Temple and Mr. and Mrs. Leonard Dodgell and children of Burling-ton visited their parents Mr. and Mrs. Amos Dodgell and Amos Jr. Sunday.

Recent guests of Mr. and Mrs. Estill Shapin and David were Mr. and Mrs. D. C. McGinnis and family of Lubbock, Mr. and Mrs. Charlie Shapin and family of Brownfield and Mr. and Mrs. Billy Burdick and family of Dallas.

ALCOHOL COATING

The coating of civilization is so thin that it often comes off with a little alcohol.

MRS. L. WAYNE MERCER

Schiller, Mercer Vows Repeated In Temple

Miss Carolyn Rose Schiller of Temple became the bride of Leland Wayne Mercer August 26 in a ceremony performed in St. Mary's Catholic Church in Temple.

The bride is the daughter of Mr. and Mrs. Walter Schiller of Temple and the granddaughter of Mrs. Joe Gerick Sr. and the late Mr. Gerick of Cameron. The groom is the son of Mr. and Mrs. Oscar Mercer of Lott.

The Rev. Robert B. Barger of Creighton University, Omaha Neb. performed the double ring ceremony before an altar banked with white gladioli and smilax.

Given in marriage by her father, the bride wore a full - length gown of Chantilly lace over satin, featuring a scalloped neckline accented with sequins. The sleeves formed petal points at the wrists and the full skirt was fashioned with layers of net ruffles and lace overskirt shaped like petals. Her fingertip veil of French illusion was held by a pearl crown. She wore a pearl drop, a gift of the groom.

She carried a cascade bouquet of white feathered carnations centered with a cluster of white calleyas orchids all placed atop her mother's prayer book.

Mrs. Frank Eustice of Waco, sister of the groom was matron of honor. Miss Betty Schiller of Temple, sister of the bride was maid of honor and Miss Linda Schiller of Cameron was bridesmaid.

They were dressed in cantu blue peau de soie dresses with round necklines keeping into a V in back with soft pleated skirts. They wore matching hats, shoes and white gloves and carried white cascade bouquets.

Alvin Burns of Temple was best man. Groomsmen were Frank Eustice of Waco, brother - in - law of the bridegroom and Dexter Wise of Waco, cousin of the bride. Ushers were Dan Thomas of Temple, brother - in - law of the bride and George Dorsey of Cameron, cousin of the bride.

A reception was held in the Parish Hall after the ceremony. The table, covered with white, was centered with the bride's and attendants' bouquet.

Mrs. Dan Thomas, sister of the bride and Miss Nancy Schlegar served the cake. Mrs. Carrie Klumpe of Cameron, cousin of the bride and Miss Susan Gheens served the punch. Miss Mary Lu Decker and Miss Phyllis Eustice registered the guests.

Mrs. Bennie Bennett, Miss Theresa Gerick, cousin of the bride of Cameron and Miss Marilyn Gentry presided at the gift table.

The bride is a graduate of Temple High School and a 1961 graduate of Temple Junior College and was employed in Temple. The groom is a Lott High School graduate and is employed in Waco.

The couple will make their home in Waco after a trip to Carlsbad, New Mexico.

The bride's parents were hosts for the rehearsal dinner at their home.

Ben Arnold

Houston Guests Visit Strickles Over Weekend

By Mrs. A. T. Swaney

Mr. and Mrs. Jesse Strickler, David and Craig and Tommie Strickler all of Houston spent the weekend here in the home of Mr. and Mrs. Walter Strickler and other relatives in Rosebud.

Mr. and Mrs. Clarence Schuette and family and Mrs. Ellie Schuette of Temple visited Mr. and Mrs. Robert Lee Schuette, Brenda and Karen on Wednesday of last week.

Mr. and Mrs. Leland Barnett and family attended the Little River Cemetery Association at the Little River Baptist Church last Sunday.

Mr. and Mrs. Bunny Kuhlmeier and sons of Temple were Saturday night guests of Mr. and Mrs. Max Schuette.

Mr. and Mrs. Bill Sweet and W. M. Sweet were Sunday afternoon guests of Mr. and Mrs. Sonny Swaney and family.

Personals

Mrs. Jesse Willingham of Dallas is visiting her cousin Mrs. Mary Ripley for a two weeks visit.

Mrs. A. E. Pfeil from Alvin spent the weekend with Mrs. C. Pfeil and children.

Mrs. B. D. Clark accompanied her daughter and family Mr. and Mrs. Bill Scott to Louisiana to visit her daughter Mr. and Mrs. Bill Doyle and children.

Mr. and Mrs. Jim Ayers of Chireshaw spent the weekend visiting her sister Mrs. Beatrice Martin.

Bobby and Richard Siskett who have spent four weeks vacationing with their grandmother Mrs. Steve Siskett have returned home last Saturday to Hammond Indiana.

Mr. and Mrs. Kenneth Cryer of Weimar visited over the weekend in the home of his parents and attended the Cryer reunion Sunday.

Fifty - two relatives and friends attended a get - to - gether in the home of Mr. and Mrs. Robert Jungmann of Burkhalls Sunday. Those attending were from Houston, Cameron, Rogers, Burkhalls, Bellaire, Bishop and Thorndale.

The Sander reunion was held at Simon George Hall in Cameron Sunday with 107 relatives and friends attending.

Mr. and Mrs. Bob Barnett, Miss Martha and William Barnett of Baytown were weekend guests of Mrs. Lottie Bigbee and Mr. and Mrs. W. G. Bigbee. Martha also visited Bettye and Mary Kestenbaum.

BOARD SEARCHES FOR MISSING PERSON

Local board no. 31 is trying to locate Joe Trevino, Jr. Anyone knowing the above named registrant's whereabouts, is requested to contact the local board office.

CARD OF THANKS

We wish to express our sincere appreciation for the many acts of kindness, food, flowers and messages at the time of our loss. We especially want to thank Dr. S. H. Richardson and the staff at St. Edwards Hospital for their kind attention.

The Family of Mrs. Lee Fuller.

27 MONTH ROAD HAZARD GUARANTEE

NEW LOW PRICE Firestone "NYLON 500"

22.95

Plus tax and tire off your car REGARDLESS of CONDITION

6.70-15 or 7.50-14 Black, Tubeless

- ALL-ACTION tread design provides traction in the CENTER of the tread
- Firestone Rubber-X-101 for long wear, quiet ride, top traction

Every new Firestone tire is GUARANTEED

1. Against defects in workmanship and materials for the life of the original tread.
2. Against normal road hazards (except repairable punctures) encountered in everyday driving for the number of months specified. Under these guarantees repairs are made without charge, replacements are prorated on tread wear and based on list prices current at time of the adjustment.

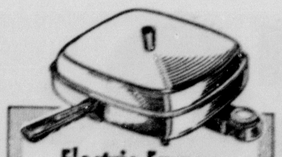
Air-Cooled Seat Cushion

2-L-12

Only 1.99

Resilient spring construction for maximum ventilation.

Electric Frypan with Control & Cover



Thermostat detachable for easy cleaning. Big 12".

3 Models

Dormeyer Mixer

Three full-power speeds. Complete with stand.

HORSTMANN BROTHERS

Nehru, Neutralists And Berlin . . .

Twenty - four unaligned (or neutral) nations are petitioning both the U. S. and Russia to settle their differences over Berlin.

India's Nehru, a pacifist, is the key figure in the appeal to the powers of East and West to "stop the drift toward war."

He asked the 24 nations, previously interested in condemning colonialism, forget other considerations and join in the appeal. This they did.

He is making a special trip to Russia for a visit with Khrushchev. This visit is likely to make good headlines, but not much gainful sense. Khrushchev made light of the Belgrade conference by announcing on the eve of its opening that Russia would resume nuclear testing. This she did.

With that Central Asian blast, Russia told unaligned nations, the West and anyone left out of these camps that pure power is all the Russians are interested in and they intend to use it.

Nehru is an idealist who has yet to thwart the thrust of Chinese aggression at his Northern Borders. He hopes they will go away. Now he takes a step to ask Russia to stop his bomb bombast . . . for fear the world will explode.

His is a reasonable attitude. Khrushchev's attitude, though calculated, is not. Perhaps Mr. K. is attempting to thrust the unaligned into the Eastern bloc so that the U. S. will concede its position in Berlin.

It is curious, we think, that Egypt's Nassar was the only leader of the 24 nations represented in Belgrade to openingly condemn the Russian nuclear decision. Nehru chooses silence for some indeterminate reason. But for this grim threat against humanity, Nehru would continue his neutralist orbit around the Russian Bear.

Perhaps Khrushchev, who already has turned a deaf ear to the unaligned, believes the U.S. will listen to Nehru, fearing responsibility for nuclear holocaust. Perhaps the moon is made of green cheese.

If another concession is made in Berlin, untenable militarily will become a position untenable politically. We could have topped the barbed wire and five - foot walls in Berlin, say reliable observers from East Germany. Rather, we sent in 1,500 troops with orders to shoot their way out any one of seven Russian checkpoints.

We hope Mr. Nehru is successful in his appeal to Khrushchev. But chances are he won't be listening. He will have one ear to the ground, listening for the rumble of bombs. The other will be poised for any lessening of Western determination in Berlin.

LITTLE RIVER PHILOSOPHER

Philosopher Comes Up With Proposal That World's Crises Be Put On A Quota Basis

Dear editar:

I'm not telling anybody how to run a newspaper, but as a farmer who knows what it is to be a victim of over - production, at least somebody else's over - production, I would like to suggest to the newspapers of this country, especially the big city dailies, that the crisis market in this world is being swamped and if it keeps going like it has the past few months newspapers are either going to have more crisis news than they can handle or the people are going to get tired of reading about it.

In fact, after reading all the headlines about Berlin, Cuba, Brazil and a few months back, the Congo, Egypt, and all those other crises which sounded world - shaking at the time but have now faded from emroy, I have come to the conclusion that what the world needs is a crisis quota. Running a country is not much different from running a farm; very few people can do it successfully.

So, the world ought to be divided up intelvowtzyeensn a o o nld ed up into twelve zones and only one zone allowed to have a crisis at a time, and that one limited to one month. Any time a crisis can't run its course in a month, somebody is just hogging the news. Thus we'd have only twelve a year, and never more than one at a time. You take a country whose crisis allotment comes in January, and it gets to itching to have one in November, it'll just have to wait. There's nothing worse on newspaper readers than having two or three crises at the same time, not to mention how hard it is on Washington to get enough officials to fly to them, or on the newspapers to find enough reporters to cover them all.

Oh, I know some people will say we could save money by having one diplomat attend to three or four crises on the same trip, but it's asking too much, he'll get home and start trying to remember how much money he promised which country. One crisis a month, twelve a year, ought to be the maximum. Otherwise the crisis business is going bandrupt. Over - production can play thunder with the crisis market the same as it can with us farmers and everybody knows the world can't stand to be in the same shape farming's in.

Yours faithfully,

J. A.

Postmaster Position Open For Applicants

An examiniation for Fourth-Class Postmaster for the post office at Minerva, $2234 a year, will be open for acceptance of applications until September 26, the Commission announced today.

Applicants must actually reside within the territory supplied by the above mentioned post office and they must have reached their 18th birthday on the closing date for acceptance of applications. There is no maximum age limit. However, persons who have passed the age of 70 may be considered only for temporary renewable appointment of one year.

Complete information about the examination requirements and instructions for filing applications may be obtained at the post office for which this examination is being announced. Application forms must be filed with the U. S. Civil Service Commission, Washington 25, D. C. and must be received or postmarked not later than the closing date.

PROCLAMATION

WHEREAS: The home exposes a person to more hazards in a routine day than he is likely to encounter anywhere else, and

WHEREAS: Home accidents occur at the rate of one every eight seconds, and

WHEREAS: A victim of a home accident dies every 19 minutes, and

WHEREAS: Accidents are the leading causes of death in the 1 to 35 age group, and

WHEREAS: More than one - half of the accidental injuries annually reported in the United States occur in the home, and there are probably many more than never get into the official records, and

WHEREAS: In a recent year, 28,000 fatalities and 4.2 million injuries were attributed to home accidents and

WHEREAS: The financial loss arising from these accidents was approximately one billion dollars, and

WHEREAS: In 1959, workers injured in home accidents lost 27 million mandays, an appalling loss to both the worker and the employer, and

WHEREAS: Most home accidents are fundamentally the result of inadequate knowledge, insufficient skill and faulty attitudes, and

WHEREAS: These home accident deaths and injuries can be prevented if all members of our families learn to recognize home hazards and take effective action to eliminate these hazards and

THEREFORE, I, by the power vested in me as Mayor of Cameron, do hereby proclaim September to be 1961 Home Safety Month and urge that all citizens of Cameron take part in this splendid program to make all of our homes true havens of safety for our loved ones

WITNESS MY HAND AND SEAL this 30th day of August, 1961.

Coleman Duncum, Mayor

Home Safety Plan Begins This Week

A year - round home safety program was launched today by Lone Star Gas Company and The Cameron Herald.

"National Safety Council findings," Lone Star Gas Company Manager C. M. Burke said here today, "show that home accidents are fundamentally the result of inadequate knowledge, insufficient skill and faulty attitudes. In line with these findings we have produced, as a public service, a home safety program having as its objective the saving of lives and the prevention of home accidents by teaching the individual how to detect and eliminate home hazards.

"A home accident kills an American man, woman or child every 19 minutes," Burke continued, "and injures 480 every hour. These National Safety Council figures are stark reminders that our lives and the lives of our loved ones are in jeopardy every second of the day and night. We must learn to detect and eliminate home hazards now if we are to make our homes safe places in which to live."

Stories on home safety will be published in The Cameron Herald during September and October.

Other home safety program materials are kits for home study and discussion and for group meetings.

The home study and discussion kit is designed for effective home study and discussion by family groups. It contains materials describing and picturing home areas in which accidents can occur and suggesting methods of eliminating accident hazards. It contains home safety references and guides. These free home study kits may be obtained at Lone Star Gas Company or The Cameron Herald.

The group meetings kit contains a discussion on home safety and a booklet of charts. These materials are for use in employee and public home safety meetings. They are available to interested companies and groups desiring to conduct home safety meetings in their plants and may be obtained from Lone Star's office at 204 West First St.

New Sales Tax Creates Storm

By Vern Sanford

AUSTIN — Storm clouds of protest boiled up quickly among consumers, clerks and merchants during the first week of application of Texas' almost - general sales tax.

Reaction was not so much against the cost of the new tax, but more to the principle, inconvenicnce and confusion. Natural resistance to any new levy always is evident. And there's certainly nothing "hidden'. about a sales tax. Noticeable were strange new surpluses of pennies in pocket and purse. They were bothersome. Arguments also ensued over what is subject to tax and what isn't.

Although State Comptroller Robert S. Calvert issued bulletin after bulletin explaining what is covered by the tax it was evident that much time will have to pass before everyone concerned clearly understands the new law.

No one would venture a guess as to how many telephone calls were received by the Comptroller's office during the first week. The multitude of businessmen converging on the Capitol to seek information or lodge complaint gave Comptroller Calvert not a moment's peace.

Meanwhile at the other end of the line -- the direct contact point for collection of the extra pennies--clerks, especially those in supermarkets, were equally harried. There had been so little time for them to bone up on the many exemptions and intricacies of the new way of taxing Texans.

Probably the most universal scheme to beat the tax emerged in coffee shops across the state. If the coffee tab for the group came to 25 cents or more, there was no sense in one person picking it up and having to pay an extra penny.

CHICKEN PRICES FIXED?

Texas chicken eaters who have been enjoying their favorite fare at phenomenally low market prices this summer have been given something to think about by Atty. Gen. Will Wilson.

"I want to determine if there is an effort to price the Texas poultry producer out of business," he said as he launched an investigation into the matter. "If our Texas broiler raisers are squeezed out of the market with below-cost prices, the ultimate result will be scarcity and sky - rocketing retail chicken prices."

Wilson said that since August, 1960, there has been a decline of some six cents per pound in the price paid broiler producers in Texas, to a low of 12 cents or less. He pointed out that 14 to 16 cents per pound is the usual cost of raising broilers.

The Attorney General is involking a court-of-inquiry to investigate the possibility of anti - trust violations.

DRIVERS SLOW DOWN

State Highway Department survey indicates a continued slowdown in average speed on Texas highways. This year the study indicated an average of 55.3 miles per hour for passenger cars clocked by hidden radar at 25 locations over the state.

This compares with 55.9 MPH in 1960 and 56.2 MPH in 1959. Average speed for trucks was 50.1 MPH compared with 51.2 MPH last year. Buses slowed down slightly from 60.7 MPH last year to 60.5 MPH in the recent survey.

LIEUTENANT GOVERNOR'S RACE SHAPING

Many eyes of Texans are beginning to look in the direction of the Lieutenant Governor's office, vacated by Ben Ramsey's appointment as Railroad Commissioner.

One candidate, Republican O. W. Hayes of Temple has announced he definitely will be in the race. Other definite possibilities include House Speaker James A. Turman of Gober, Sen. Crawford Martin of Hillsboro, Sen. A. M. Aikin Jr. of Paris, Sen. Preston Smith of Lubbock, Sen. Bob Baker of Houston and Don Yarborough of Houston. Yarborough ran against Ramsey last time.

NEW IDEA FOR PADRE ISLAND

Land Commissioner Jerry Sadler tossed a new idea into the breach of controvetsy over what should be done with the playland potential of beautiful Padre Island.

The beaches, he said, would be turned into a state park -- not turned over to the Federal government for a National Park as has been proposed. He said the proposed Federal project would take about 200,000 acres of submerged lands which already have yielded more than $12,000,000 for the state's permanent school fund and which have a potential of at least $1,000,000,000 in oil and gas devlopment.

"It is imperative that the School Land Board act immediately and wisely to set aside beaches as state recreational areas and affirm our intention to hold the mineral wealth for our future school generations," Sadler said in a letter to Gov. Price Daniel.

He requested appointment of a statewide committee to study feasibility of his proposal.

Buckholts FHA Has Meeting; Plans Sale

The Buckholts Future Homemakers of America met in the HE Department on Sepetmber 1.

The meeting was called to elect pin - up and sweetheart for this year. Pat Wallace was elected pin up and Buddy Inge was elected sweetheart.

The club decided that the chapter would have a bake sale on October 7. The location of the sale has not been established yet.

In early geologic ages West and Northwest Texas was covered with the Permian Sea.

Women May Collect Increased SS Based On Their Own Work

Many widows age 62 or over, who are collecting social security benefits based on their own work, did not get increases in their payments with the checks delivered to them this week, Durelle L. Allen, district manager of the Temple Social Security Office, pointed out today. But some of them may find that they can get a small increase in their monthly payments by applying to their social security office.

The 10 percent increase in widow's benefits, signed into law by President Kennedy on June 30, is payable only to those widows age 62 and over who are receiving benefits based on their husband's work under social security, Allen said.

Under the social security law, a widow age 62 or over who has worked under social security long enough to become insured is usually paid retirement benefits based on her own record of earnings. She is paid the widow's benefits based on her husband's earnings only if those widow's benefits wuld be higher than her own retirement benefits.

Because of the 10 per cent increase in widow's benefits, a few women may now find that widow's benefits based on their husband's work would be higher than their present benefits.

Any widow who oelieves that she might qualify for higher benefits because of this change in the law can find out for sure by contacting her social security office. The Temple office is located at 909 Frist National Building.

Mueck, McLerran Take 1st Place In Annual Gilt Show

By Pat C. Garner
Ass't Milam County Agent

Martin Mueck of Cameron had the first place Sears gilt and Wayne McLerran, Cameron had the first place Farm Bureau gilt at the annual Milam County Sears and Farm Bureau Gilt show held at the Cameron Auction Barn Saturday.

E. D. Clements, Vocational Agriculture Teacher at Granger, judged the show.

Other placings in the Sears gilts were: Susan Abel, Sharp, Second; Leon Hollas, Cameron, Third; Arthur Jistel, Cameron, Fourth; Bernard Kostroun, Marak, Fifth; Larry Praesel, Sharp, Sixth; Larry Shenkir, Buckholts, Seventh; and Albert Glaser, Buckholts, Eighth.

Melvin Hollas of Cameron had the Second place Farm Bureau gilt.

Henry Abel, Jr., of Sharp exhibited his Sears boar.

Martin Mueck and Henry Abel, Jr. will show their gilt and boar respectively, at the District Sears Show in Waco on Saturday in competition with other district winners.

COTTON REPORT

SOUTHWESTERN AREA

Harvest was expanding. Trading in the spot markets was slowly increasing. Buyer activity was pick ing up. Domestic mill interest was stronger. Foreign demand was moderate. Mild, clear weather prevailed generally.

Middling 1" cotton prices were steady this week, quoted Thursday August 31 at 33.00 cents in Dallas, Galveston and Houston and 32.40 cents in Lubbock, unchanged from last week. Some of the discounts narrowing in the Dallas Lubbock markets during the week. In the Harlingen market activity was tapering off as most of the ginnings had moved into trade channels. Activity was brisk in the Corpus Christi market most of the week. According to reports about 40 per cent of the ginnings had entered trade or loan channels so far. Prices were holding firm with the lower White and the Light Spotted grades in 1" and shorter staples in best demand. The higher grade demand was some stronger. Producers in south central and central Texas were offering current ginning fairly freely when prices were above loan levels. Most of the ginnings Middling and above were entering the loan. In North Texas only a small per cent of the ginnings were entering trade channels. Prices over the area were ranging from around loan values for Middling and higher grades to up to 225 points over for the lower White and Light Spotted grades. According to reports some producers in North Texas had contracted their crop at a hog round price of 30.00 cents with delivery dates prior to late November. Today reports indicated there was considerable hog round buying at 33.00 cents in the Dallas area. Cottonseed prices were ranging from $48.00 to $57.00 per ton.

Buying by domestic mills increased some this week. Mill interest was stronger and inquiries were more numerous. The demand was best for the medium and lower grades but purchases included some of the higher grades of new crop cotton for late fall and early winter deliveries. Bidding prices continued to limit purchases. Interest from abroad was improved slightly. Inquiries, however, were not too numerous. Prices were unattractive to most shippers limiting sales. Japan was more active, purchasing a fair volume of the medium grades and staples for November -- February deliveries. European interest was slow.

Ideal cotton harvesting weather prevailed this week. Temperatures were below normal for this time of the season. Scattered light showers dotted the area. Gins in south central Texas were running full blast and were busy most of the day in central Texas. Harvest was picking up momentum in North Texas and should be in full movement by the middle of this month. Many producers were applying defoliants and will machine harvest their crop. A few bales were being ginned in the plains sections of Texas and in Oklahoma.

Sapps Return From San Antonio Trip

Mr. and Mrs. Forrest W. Sapp have returned from a trip to San Antinio, where they attended the 1961 Business Meeting of the Great Southern Club. This club is composed of career life underwriters of the Great Southern Life Insurance Company, Houston, who meet qualifications in volume, quality business and outstanding service to policyowners and clients during the fiscal year ending June 30.

The business meeting, held at San Antonio's Grand Hotel was attended by 280 Great Southerners and their wives from 12 states coast to coast across the southern part of the United States.

First white man to set foot on Texas soil were Alvarez de Pineda and his followers in 1519.

DON'T SCRATCH THAT ITCH IN JUST 15 MINUTES,

If the itch needs scratching, your 48c back at any drug store. Use ITCH-ME-NOT to check eczema, ringworm, insect bites, foot itch, other external itches. You feel it take hold. Then itch and burning are gone. ITCH-ME-NOT is easy to apply, instant-drying. TODAY at

Yoemen Take Opening Thriller

West Dropped By Yoe, 15-6

By Robert Mann

The Fighting Yoemen released a duo of fiery second - half newcomers to the Cameron lineup in the form of Amos Doskocil and Ronald McWilliams and they teamed with back - breaker Ernest Bayer in taming the West Trojans last Friday night, 15-6 at Yoe High Stadium.

Playing before a near - capacity crowd in the season's opener the Yoemen obtained sweet revenge for the 26 - 18 shellacking the Trojans gave them last year.

It was nip and tuck all the way as both teams failed to reach paydirt in the first half. 150 pound junior halfback Amos Doskocil broke the ice in the third quarter with a 20 yard dash around left end for 6 points. Sophomore Ronald McWilliams booted for 1 extra point.

McWilliams added six pointed to the Yoemen's count two minutes after Doskocil's jot when the Trojan center heaved the pigskin over the head of the West would - bepunter on the West 20.

Barrelling through the line like a freight train, McWilliams outraced two Trojans to the ball and covered it behind the goal - line for a TD.

The two extra points consisted of a faked punt and then Quarterback Jimmy Woodum heaved the ball to Doskocil behind the goal.

The Trojans scored in the closing minutes of the game with a drive that originated on their own 36 yardline.

A pass play brought the ball to the Cameron 44 yardline where quarterback Robert Plsek tossed a short pass to fullback Ernest Kaska; Kaska ran, stumbled and finally fell across the goal 44 yards downfield. He received excellent blocking on behalf of his teammates.

On defence for the Yoemen big Ernest Bayer mauled over Trojans right and left, showing no signs of the injury he received two weeks ago.

Carroll Richter, 160 pound senior, lived up to his pre - season billing as he picked ballcarriers, came up walking with them and dropped them at the line of scrimmage.

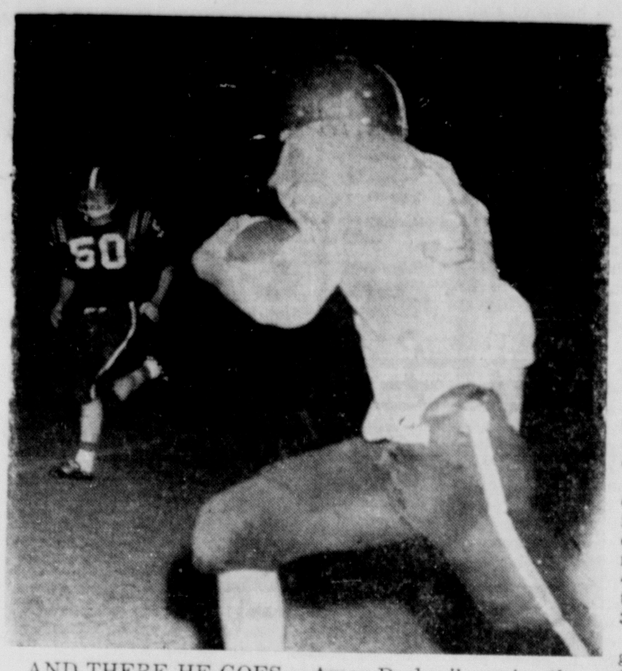
Johnny Ritcher, 146 pounder, Thomas Leonard, Eugene Schattle, Bobby Hillman, Bobby Jones, Johnny Krenek and Stanley Kirk also paced the defensive team and showed good defense work against Trojan eerial tossses.

Doskocil raced for a total of 102 yards for the night averaging near 8 yards a carry. Scatback David Walston added his two cents worth as he veered over and under tacklers for short gains.

PLAY BY PLAY

FIRST QUARTER

Cameron kicked off to West, the Trojans taking the ball from srimmage on their own 31 yardline. Billy Kolar picked up a yard and Gary Kredder fumbled the pigskin giving Cameron the ball on the West 36.



AND THERE HE GOES -- Amos Doskocil carries the ball around right end and goes in for a touchdown against the West Trojans in the opening football game of the year for both teams. Eugene Mejer a guard and Captain of the Trojans moves in but is unsucessful in stopping the fleet Yoe halfback. -- Staffoto

Doskocil was thrown for a yard loss, Bayer was stopped at the line, and then was caught behind the line but managed to get off a toss to Doskocil that went down as a 7 yard loss. James Anderle punted out to the West 10 yardline.

Kaska got 3, Bayer stopping him, Plsek kept for a 2 yard gain and Kreder picked up 11 with Johnny and Carroll Richter in on both tacklers.

Kredder got 4, Scattle hauling him down. Kolar got 2, Bayer getting the tackle. Kredder picked up 7, 1 short of a first down and Adolph Vochoska chose to punt out for 19 yards.

Cameron fumbled the ball on the first play from scrimmage with Cepak recovering for West.

Kolar picked up 2 and was stopped at the line of scrimmage by J. Richter. Kaska fumbled on the next play and sophomore Mike Koranek pounced on the ball for Cameron.

Bayer got 4, Richter 0, Bayer 0 and Anderle punted 43 yards to the West 13. The second time he had placed the ball inside the West 15 on a boot.

SECOND QUARTER

Kaska surged through the Yoe line for an 8 yard gain and Plsek missed with a pass. Kaska got 3, Kredder 3, and Kaska 2. Plsek was stopped cold and Vochoska punted 26 yards to the West 29.

Doskocil picked up 2, 5 and Bayer got 4 for a first down. Doskocil garnered 3, Walston 3, Bayer 4 and 4 for another first. Eugene Bajor pacing the Trojan defence.

Bayer got 2, Doskocil 3 and Woodum was stopped just short of a first down.

Cepak picked up 3 and Kolar 10 for a first down. Kredder got 2 and Terry Reddell 8 for another first. The Trojans picked up 15 yards on a Cameron penalty, the only one of the night.

A pass from Plsek to Kaska was good for 15 yards. A stop at the line, incomplete pass and 1 yard gain put West in a 4th down situation with seconds left in the first half.

Plsek tossed to Kaska for 12 yards but the ball was fumbled just as the bell sounded, killing any rally.

SECOND HALF

THIRD QUARTER

Cameron took the kickoff and then the ball from their own 39 yardline. Bayer gained 3, Doskocil 3 and 5 for a first. He picked up another first down on a 10 yard jot to the West 40..

An imcomplete pass, 9 yard gain by Bayer and 1 yard pickup by Doskocil gave the Yoemen another first down. Bayer and Doskocil combined 4 short plunges to the West 20 yardline and a first down.

DOSKOCIL SCORES

Doskocil broke loose on the play from scrimmage, took off around the left side on a sweeping end play and raced the 20 yards to paydirt.

McWilliams added heat to the oven by kicking good the extra point.

Soon to score again, the Yoemen stopped Kaska with 4, Plsek was thrown for a 9 yard loss and Kaska picked up 5.

On the attempted punt, the ball went sailing over the kickers head and McWilliams churned through the line and ended up on top in a mad scramble for the ball and 6 points.

A fake kick attempt for extra points resulted in a pass from Jimmy Woodum to Doskocil good for 2.

The West team carried the pigskin to the Cameron 43 picking up 2 first downs in the process. Hillman and Carroll Ritcher led the Yoeman attack.

FOUTH QUARTER

Koska and Reddell carried for the Trojans to the Cameron 23 but lost the ball on downs. Joe Hosch, Jim Edwards, Bobby Hillman and Eugene Schattle holding them

Craig Wallace picked up 4 for the Yoemen, Bayer got the asme amount and Wallace earned a first on a 3 yard gain.

David Walston went up the middle an dover and under Trojans for a 5 and 9 yard gain, good enough for a first down. Three runs put the Yoemen on the West 45 with a fourth and four situation. Anderle punted to the West 36.

Plsek tossed a pass to Kaska good for 20 yards, carrying them to the Cameron 44 and scoring position.

KASKA TALLIES

Plsek chose another pass play to Kaska, he caught the ball on about the Yoemen 35 and racing all the way up the sideline, eluding tacklers as he went, for the TD. His attempt to run it over for two extra points failed.

Cameron carried the ball to their own 35 where Walston scampered for 5 yards and Doskocil broke loose for the longest run of the night, a 45 yarder to the West 16 before being hauled down.

Time ran out before another play could be transacted, Cameron wining, 15-6.

Statistics	Cameron	West

OVERHEAD -- Bill Cooke, Jr., of Rockdale, smashes a return during the final doubles match in Taylor Open. Cooke and Frank Luecke, of Cameron, Saturday night won the doubles title with a 5-7, 6-1, 6-2 victory over the Taylor finalists. Cooke's overhead volley was a big weapon in the Milam doubles team win. -Staffoto

Milam Duo Wins Taylor Finals

A Milam tennis tandem swept through Taylor doubles finalists Saturday night after dropping the first set, but winning 5-7, 6-1, 6-2.

A steady down - court wind slowed the pace of the final match as Bill Cooke, Jr., of Rockdale, and Frank Luecke, of Cameron, steadied their game to break the match open in the second set.

Played under the lights at Taylor Park, the match was the finale of the Taylor Tournament and the fourth round for both teams. Cooke and Luecke advanced to the finals two weeks ago with a win over semi - finalists Jim Davis and Jim Michaels, 6-3, 6-2.

Bob Short and R. H. Brookshire were trailing 5-4 in the first set, but Brookshire held service and Taylor broke through Luecke's to close it out at 7-5.

Cooke's net play and Luecke's service turned the tide in the second set.

Short, an assistant coach of the Taylor Ducks, fought off about 15 ad points to hold his service at 1-1. But the Milam team held Cooke's service, broke Brookshire's and ran the string out at 6-1. The third set went to the Countians, 6-2.

Ysleta del Sur, established in 1682 near El Paso is Texas' oldest permanent settlement.

Yoemen, One of Three 19AA Team To Win

The Cameron Yoemen were one of the three - out - of - five 19AA schoolboy football teams that were victorious in their first gridiron outings of the season.

The Yoemen handed West a 15-6 unexpected defeat at Yoe High Stadium last Friday night before a packed house of enegetic fans.

In Caldwell, the hometown Hornets edged Madisonville's Hornets, 12 - 8. Hearne romped over Groesbeck, 32 - 6. Rockdale lost to Giddings 22-8 and A & M Consolidated was handed a 15 - 6 licking by Navasota.

The Yoemen were paced by halfback Amos Doskocil, scoring on a 20 yard scamper and adding two points on a conversion pass play. Ronald McWilliams accounted for the other 7 points on a recovery behind the West goal and an extra point kick.

Caldwell relied on halfbacks Jim Ed Davis and fullback Billy Harper for their scoring protential in their win. Davis went over from the 5 in the first period and Harper from the 1 in the final quarter.

Hearne topped Groesbeck, 32,6 in Groesbeck, behind the running of fullback Robert Neff. He scored twice during the night. QB Simon Martinez through 1 TD pass to halfback James Crowder. He also completed one to end Tommy Dotson for a 2 point conversion.

Butch Reed, Tim Batson and Jerry Stewart accounted for the remaining Eagle tallies with 39, 3, and 12 yard plays.

The Rockdale Tigers were victims of a 22-8 win by Giddings.

Rockdale's 8 points came when Fullback Mike Liles went up the center on a 21 yard paydirt scamper. Ronnie Menn passed to Jim Baugh for the 2 extra points.

The Navasota Rattlers were poison for A & M Consolidated Friday night, striking twice in their 15-6 victory.

Consolidated struck home in the game's closing minutes on a one - yard plunge by Hubert Hearne.

Here is an individual rundown on the leading district scorers following Friday night's games.

Robert Neff, 12, Hearne; Amos Doskocil 8, Cameron; Ronald McWilliams, 7, Cameron; Jerry Ste-Crowder, 6, Hearne; Jim Ed Davis and Billy Harper, 6, Caldwell Mike Liles, 6, Rockdale; and Hubert Hearne, 6, A & M Consolidated; Jim Baugh, 2, Rockdale and Tommy Dotson, 2, Hearne.

BROILER BUYS

Broilers are such a good buy on today's retail markets that consumers may wonder if something is wrong.

Buckholts Takes Jarrell 21-6 Friday

Jack Ruzicka and Bobby Malovets took long yardage Friday night to lead the burrowing attack of the Buckholts Badgers over Jarrell Cougars 21 - 6.

Jarrell suffered its first defeat of the season at home with the kickoff of the official pigskin season for area schools.

The expected tough Badger ground attack, was held for three quarters by the Cougars.

Then, suddenly like a bolt of lightening out of the calm but windy skies over Jarrell, Ruzicka snipped a Jarrell pass, followed his blocker Malovets on the Jarrell 35 and dashed 45 yards down the left side - line for the first touchdown.

Malovets ran the PAT one minute deep in the fourth period.

Hard tackling and a booming kickoff put the Badgers in control only seconds later, with an alert fumble recovery by Leland Janes.

Janes dove over for the two yards and the second Buckholts tally, with Ruzicka passing to Janes for the PAT.

Jarrell, held to only two first downs, failed to field a sustaining attack, giving the ball to Buckholts on the Cougar 40 yard stripe.

Taking the snap from center Malovets picked his way through would be Cougar tacklers for 40 yards and the final Badger score.

Ruzicka connected with Budd Inge for the PAT.

Jarrell was not to be denied as the Cougar came bounding back in the last thirty seconds of play on a flip pass over center that chalked up 40 big yards and the long Cougar tally. The PAT failed.

Badger Coach Lester Hanke said he was satisfied with the first victory, but pointed out the Badgers have a long tough road ahead in their nine game schedule.

Gerald Bales, sophomore back, received praise from coaches for his outstanding play, as did Inge.

Ruzicka threw the pigskin seven times for two completions covering 25 yards with Inge and Janes on the receiving end.

Lawrence Hanke showed up as an outstanding Freshman defensive man along with Johnny Mekush.

The Badgers accounted for a total of 65 yards on offense, with Malovets rolling up 37 yards as he bulled his way forward. Yardage gained on the ground is exclusive of touchdown runs.

Ruzicka and Malovets were also outstanding on defense, accounting for 17 tackles.

Buckholts faces the Milano Eagles Friday at 8 p. m. at Badger Field.

Yoemen Seeking Second Victory From Rosebud

Billy Bates crew of hard-hitting Yoemen will be seeking their second gridiron victory in as many outings when they play host to the Rosebud Black Panthers at Yoe High Satdium Friday night.

Rosebud head coach, Bob Castleman, will field a line that averages 154 pounds and a backfield that weighs in at 149 pounds.

The Yoemen lineup will be relatively the same as last weeks with the exception of Bob Dymke who is expected to be fully recovered from a leg injury and ready to go Friday night.

Heaviest man in the Panther lineup is 188 pound Junior, J. Lucas at the tackle slot. Ernie Bayer tips the Yoemen scale at about 195 and Frank Janek, 200.

Last year the Yoemen topped Rosebud in their home stadium, 25-0.

Probable offensive starting lineups are:

CAMERON

E Thomas Leonard 160
E. Johnny Richter 160
T. Eugene Schattle 187
G. Bobby Hillman 175
G Bobby Jones 145
T James Edwards 165
C Stanley Kirk 177
FB Ernest Bayer 195
HB Carroll Richter 160, David Walston, 130 or Craig Wallace 151
HB Amos Doskocil 150
QB Jimmy Woodum 150

ROSEBUD

E H. Swanzy 165
E D. Bierds 160
T J. Lucas 188
T. L. Fabianke 180
G T. DeLeon 152
G. R. DeLeon 145
C. B. Stock 141
FB D. Schmidt 149
HB M. Pattillo 140
HB W. Cortez 150
QB G. Janes 160

CAMERON HERALD

VIEW ON SPORTS

— WITH ROBERT MANN —

"That's the cleanest bunch of boys I've ever played against," remarked Stanley Kirk, stocky Yoe High School center, following the West - Cameron football game last Friday night.

Kirk went on to say that there wasn't a harsh word exchanged between the two teams all night, quite an accomplishment considering the feriousity in which they battled each other.

One 15 yard penalty against the Yoemen marred the night's perfect record. The first time in at least two years penalities have been held to a minimum like that.

This exhibition of clean sportsmanship was a reflection on the full house of spectators present at the game. Plenty of support, but no razzing or calling for blood was the atmosphere in the grandstands. One this town is proud to uphold.

VOS

A tall, lanky youngster rambled onto Yoe High's Athletic Field Friday night about 8 p. m. with little idea that in less than two hours he would be in the same class as veterans Ernie Bayer and Amos Doskocil as heroes of the day.

Of course, I'm speaking to Ronald McWilliams, 165 pound sophomore, who sparkled in his first varsity outing against the Trogan.s

Accounting for one trouchdown and an extra point kick placed McWilliams third in the district scoring standings. That's a pretty good first game record for an end; especially when he wasn't thrown a pass all night and his points were made by sheer hustle and determination.

VOS

A quick look at the Yoemen's next week's opponents, the Rosebud Black Panthers might be profitable.

Players to keep your eyes on will be all - district quarterback, Gene Janes, Donald Schmidt, all - district line - backer last year, converted to the backfield and Billy Pattilo, 140 pound senior speed merchant.

The Panthers are under the direction of a new coaching staff, Bobby Castleman and Bobby Pollard.

They sport twelve returning lettermen, nine of them started at least three games last year; seven were regulars.

This should be an easy one for the Yoe barring serious injury to back - breaker Ernest Bayer or other prominent Yoemen.

Of course theres always the disease of over - confidence that has plagued the Yoemen the past two years. Noticibally against Elgin last year, but Bill Bates and his crew are well aware that the road ahead is long and full of chug - holes so let's "go out to the ballgame."

Thorndale Takes Franklin Lions 30-22

Thorndale Bulldog halfback Ken Caffey paced his squad to a 30 - 22 comeback victory over the Franklin Lions in Thorndale last Friday night.

Caffey scored 3 times on 37, 65, and 4 yard runs. The Bulldogs were trailing 14 points going into the second half before Caffey exploded.

Swayne Jackson accounted for the other Thorndale TD, on an 80 yard psss play. Caffey carried the pigskin over for the 2 extra.

Rogers Wins Over Holland Hornets

A speedy, aggressive backfield consisting of Jimmy Cowan, Brian Harbour and Ace Duess paced the Rogers Eagles to a 52 - 16 victory Over The Holland Hornest last Friday night in Holland.

Two TD's were scored in the first quarter by the Eagles, one on a 30 yard jaunt by Harbour and another on a 28 yard dash by Cowman. Dyess ran the ball over for two extra points.

Harbour opened the second quarter scoring with a 78 yard pass to Dyess. Harbour ran over for the two extra.

Carl Foster plunged 6 yards for the next TD and Cowan tossed to Maxie Morgan for the extras. Harbour ran in from 20 yards out for the final first half tally and Foster ran over the extra points.

Quarterbackers Meet Here Monday

The Cameron Quarterback Club met in the YHS Ag Building last Monday night and chose Joe Humplik as this week's "Coach of the Week."

They also discussed policing the YHS pressbox during football games, continued membership drive activities and watched the Cameron - West film of last week's gridiron contest.

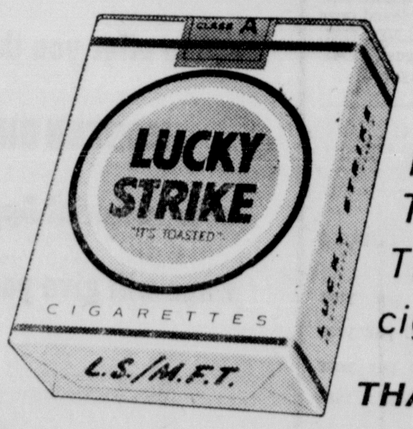
Yoe B Team To Meet Marlin In First Game Friday

The Yoemen B team will play their first game of the gridiron season tonight (Thursday) at 7:30 against Marlin.

Billy Bates told the Herald that admission will be 25 cents and urged all Cameronites to watch this squad of future Yoemen in action.

REMEMBER HOW GREAT CIGARETTES USED TO TASTE?
LUCKIES STILL DO

LUCKIES DON'T SKIMP



They're so round, so firm, so fully packed—so free and easy on the draw. They're fully packed with fine tobacco. They're firmer than any other regular cigarette. And Luckies smoke longer.

THAT'S WHY THEY TASTE SO GREAT.

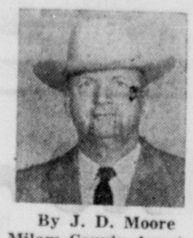
County Agent's Notes

Grains Listed As Winter Feeds



By J. D. Moore
Milam County Agent

Small grains are the best source of winter grazing for this area. Planting will be made the latter part of September. The following recommendations were received this week from the Denton Experiment Station.

SMALL GRAINS: Wheat, oats, barley and rye. Pasture from small grain may equal value of grain crop.

WHEAT — More winter hardy than oats, but early growth is more prostrate and does not produce as much early grazing. Use 60 pounds of seed per acre. Quanah variety.

OATS: More early grazing than wheat, but more susceptible to insect and cold damage. Use 80 pound of seed per acre. New Nortex, mustang, Alamo Suregrain and more grain varieties.

BARLEY — produces more early winter growth than either wheat or oats but is not as palatable. Use 60 pounds of seed per acre. Cordova, Rogers or Harbine varieties.

RYE - most winter hardy of all the small grain. Grows well early under adverse conditions. Use 70 pounds of seed per acre. Elbon or Gator varieties. Combinations of small grains may lengthen the grazing period. Crossseed using ½ to 2-3 the normal seeding rate for each.

1. Barley (early) and wheat (late
2. Rye (early and wheat (late)
3. Oats (new Nortex early) and wheat (late.
4. Oats (early and rye grass (late)

If crop is to be harvested for grain, some effort can be obtained by seeding two different fields

FERTILIZE small grains for best results. Use 100 to 150 pounds of 20 per cent Superphosphate per acre, banbed with seed at planting time. Topdress with 100 pounds of ammonium nitrate (or 35 pounds of actual nitrogen) per acre.

Facts On Problems In Breeding For Dairy Cattle Owners

COLLEGE STATION — What causes breeding problems among dairy cows? Bacteria, nutrition, heredity, hormone imbalance, mechancial injuries and poor management are all contributing factors, says A. M. Meekma, extension dairy specialist. Recent research also indicates virus agents are involved.

Laboratory exaiminations of aborted calves and blood samples from the dam indicates bacterial agents account for only one-third of the abortions. Most of these are caused by brucellosis, vibriosis or leptospirosis.

Nutrition, although it does cause some abortions, is not a frequent offender. Neither is heredity, because hard - to - settle animals tend to eliminate themselves from the herd.

Hormone imbalance accounts for some of the nonbacterial reproductive problems, says Meekma. Most research in this field is quite new, however and has been hampered by the expensive, complex chemical and biological tests needed to determine hormone levels.

All of these causes account for only a part of the total number of feeding problems. What causes the rest: Meekma says poor herd management is often just as responsible as disease for breeding problems. Failure to detect heat absence of periodic pregnancy checks by the veterinarian and a general lack of good "cow psychology" are the most frequent breaches of good management.

Card Of Thanks

We wish to express our sincere thanks to the Cameron Volunteer Fire Department for being so efficient and quick in putting out the fire on our farm last Saturday night.

HOGS		
No. 1 and 3 grade Tops 200 to 250 lbs.	18.50	20.00
Heavy butchers 260 to 350 lbs.	17.80	19.10
Light butchers 165 to 190 lbs.	18.60	19.60
Sows (195-485 lbs)	14.00	19.50
Boars	6.00	12.50
Feeders (40-125 lbs)	14.40	15.60

REPORTABLE DISEASES

Reportable diseases in Milam County for the week ending September 2, 1961 were 34 strep throat according to Dr. T. E. Crump, acting director of the Milam County Health Department.

ANIMAL PINKEYE

Pinkeye has been reported from many areas of the state and Dr. C. M. Patterson, extension veterinarian, advises cattlemen to keep a careful watch for symptoms among their cattle.

Willie L. Glaser to Allen Doss for $10 and other consideration: 114 2-3 acres of land, a part of the 344 acre tract in Block 14 of the Burkitt subdivision of the Marie Josefa Delgado League.

Outdoors In Texas

By Vern Sanford

Next time you have a yen for some sporty varmint shooting, consider a nutria hunt.

There are plenty of nutria in the counties along and adjacent to the upper Texas coast. And when the landowners learn the identity of your target, they'll welcome you with open arms.

These huge, beaver - like rodents, imported into this country back in the 1930's, are making life miserable for the farmers.

Once considered a beneficial rodent, population explosions have made the 15 to 35 pound rodents pests. Most landowners -- particularly those owning marshes, timberland, rice and sugarcane crops -- gladly will grant you access to their property for nutria plinking.

Your choice of weapons of course will be dictated by the area where you hunt and the proximity of live stock. Generally speaking most nutria plinking is done with .22 caliber weapons, Although in some places, landowners will insist that you use a shotgun instead of a rifle or pistol.

A shotgun might not sound sporting enough until you've delved into action. Then you'll revise your thinking. A nutria bounding across the ground is much like a rabbit--although not quite as fast. Swimming in the water, they offer difficult "hide and seek" targets by popping their heads to the surface for just a second or two for air.

In marsh country you can get some dandy shooting with a .22 rifle mounted with a scope. For clean kills be sure to use hollow point bullets -- long rifles or .22 magnums. Your point of aim should be the chest region of the rodent. Head shots are okay if you'll keep in mind that the rodent's fur makes the head appear larger than it actually is.

You can have a lot of sport with a handgun if you do your shooting from an outboard. Just run up and down the bayous and canals at a moderate speed. Plink the big rats as they jump off the banks and swim back and forth in front of the boat.

Take along plenty of ammunition. One box won't do the job--unless you plan to limit your hunt to about an hour. That's just how plentiful the rats are.

Nutria plinking can be a year 'round sport, although you'll have to vary your hunting a bit with the temperature. The rodents are most active in the spring and summer. They'll bed down in dens in extemely cold weather.

You can find them summer or winter, but it'll take more looking in cold weather.

Also you can hunt nutria night or day.

Catching them in the glare of lights and popping them with handguns at night is real sport.

Most landowners, however, frown on night hunting, since the shooter never knows what's in the darkness.

Nutria are most active early in the morning and late in the afternoon.

During mid - day you'll find them sunning atop banks, grass hummocks or muskrat dens.

Sometimes you won't realize how many nutria are around until you take a shot or two. They blend in well with the surroundings, but the sound of a shot will get them moving. Then all you have to do is pick a target in your scope and let go.

You'll find nutria most plentiful in the marsh country. These semi-aquatic rats have a "sweet tooth" for marsh growths -- cane, quill grass, three - square rush and many natural waterfowl foods. Nutria have stipped many marshes almost bare of these growths.

BARLEY RATES HIGH

Though barley ranks well down on the list of feed grains produced in Texas, many growers will soon have to make a decision on whether or not to participate in the 1962 feed grain program.

ROSEBUD

Friday, Sept. 8

YOE FIELD, CAMERON

8:00 P. M.

This Friday the Yoemen will meet arch rival Rosebud at Cameron. This game is always one of the most exciting on the schedule because of the long and keen competition between the two teams.

Rosebud will have a veteran backfield this season. With two new coaches you can expect a different type of football. All put together it should be an exciting night of football.
